In regards to Case Number 05-44481 (RDD)

Honorable Robert D. Drain
Case Number 05-44481 (RDD)
United States Bankruptcy Judge-Southern District of NY
One Bowling Green
New York, NY 10004-1408

Dear Honorable Robert D. Drain,

I am objecting to the Master Disposition Agreement, Article 9.5.11. This article declares that severance payments will be terminated upon the closing date, or date of emergence. I am objecting for the following reasons:

- 1) Severance payment entitlement is by contract. This is the agreement I signed with Delphi Saginaw upon leaving the company.
- 2) I had to sign a release of claims form in order to receive the severance payment waiving certain rights (Release of Claims).
- 3) These contracts were entered into during the bankruptcy. My effective date for this contract was March 1, 2009, my sign date.
- 4) I fully expect that Delphi should be made to honor their contracts. I believe that these are Administrative Claims.

Sincerely,

Dorothy A. Schaack
